

### Notice to Skippers no. 45/2023

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 – Water Law (Journal of Laws 2020, item 310, 284, 695, 782, 875) and Art. 43 sec. 6 of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2019, item 1568, 1901, 2170, of 2020 item 284), the Regional Water Management Board in Gliwice informs, **that from July 05, 2023, 08:00 a.m. until July 07, 2023, 10:00 p.m. the water level will be lowered on section V of the Gliwice Canal – Dzierżno Lock (km 30+890) – Łabędy Lock (km 38+510). The transit depth of section V of the Canal in the abovementioned period will be 100 cm.**

The water level will be lowered due to the need to allow the passage of a vessel carrying construction materials for repair works under the road bridges.

For more information on shipping conditions, please contact the Gliwice Catchment Management Board from Monday to Friday, between 8:00 a.m. to 4:00 p.m. (tel. 32 231 64 31) or consult the updates published on the website: [gliwice.wody.gov.pl](http://gliwice.wody.gov.pl).

At the same time, I would like to inform you that Notice to Skippers no. 6/2023 of March 22, 2023 is no longer valid (for the period indicated).
